Friday, October 27th:

- Tip Off!

Monday, October 30th:

- Spiritwear

Tuesday, October 31st:

- Halloween Class Party
- Fun Fair

Reading

- This week in our readers workshop we practiced identifying the plot of stories. The students learned about characters, setting, beginning, middle and end.

Language Arts

- This week in language arts we continued talking about nouns. We practiced identifying nouns in sentences.

Math

- This week in math we continued talking about subtraction. We also learned about vertical subtraction.

Science

- We completed our sound unit today. This week we had some

hands on experiments. The students are able to see real life examples of what they are learning. I have really enjoyed this unit, and I know the students did also!

Religion

- It was a special week in religion. We learned about two more saints, St. Mary and St. Joseph. Our class was also able to go and see the statue of Our Lady of Fatima. It was very cool to learn about it and recognize the 100th anniversary of Fatima today. I love being able to witness the children growing in their faith each and every day.

Notes:

- Please be sure that your child is working on his or her saints report. Also, be thinking of ideas of what your child will wear for All Saints Day. November 1st will be here before we know it!

Have a great weekend!
