Reading

- This week we talked about how to determine if a book is the right fit for us. We are working on using the five finger test to determine if a book is too hard, too easy or just right.

Language Arts

- This week we concluded our first unit on telling and asking sentences. The students took the chapter test. Look out for those coming home next week!

Math

- In math we continued to learn

addition strategies.

Science

- We took our field trip to the apple orchard to conclude our unit on apples. It was really fun to make applesauce in class on Friday!

Religion

- This week we talked about how God give us peace. We also started talking about the Trinity and the three parts of the Trinity.

Notes:

- If you would like to place an order from Scholastic Books please place your order by this coming Monday! **Our class code is: Q86FN**
- A permission form was sent home today regarding our visit to the Arlington Heights Library next Thursday.
- School picture order forms were also sent home today. Please return those if you would like to purchase any school pictures.
